SOUPS

Just ask one of our consultants what the soup of the day is. At \$3.00 each, The Diet Factory soups are great value.

SWEETS

Just ask one of our consultants what the sweet of the day is. At \$2.50 each, The Diet Factory sweets are great value.

SOME AREAS WILL INCUR AN
ADDITIONAL DELIVERY FEE

I am so happy that I have discovered The Diet Factory. I now do not have to do battle with the supermarket each week. It was such a chore to shop and carry all my groceries home. Then to have to prepare my meals. It was becoming difficult for me. Now I get my meals delivered to my door on a weekly basis. The Diet Factory has given me a better quality of life. Thank you Diet Factory. Everyone is very helpful including the delivery driver.
